MEMORANDUM FOR: Deputy Director for Administration

FROM: Bruce T. Johnson
                  Director of Data Processing

SUBJECT: Full-time Academic Training for [   ]   STAT

STAT

    1.   It is requested that one year of full-time academic
training be approved for [   ] under the   STAT
sponsorship of the Office of Data Processing (ODP) Fellowship
Program. If approved, this training would commence in
September 1981.

STAT   2.   [   ] is a GS-11 Computer Specialist currently
assigned to "D" Division of ODP Applications. A 1976 graduate of
STAT [   ] College with a dual degree in Mathematics and Computer
STAT Science, [   ] entered on duty with the Agency in
February 1977 as a GS-7 Computer Programmer and has progressed
steadily to the point where she is responsible for the design,
testing, and implementation of applications for computer
STAT systems. [   ] has already completed nine semester
hours of her selected field of study, Operations Research, and
has a cumulative grade point average of 4.0. This field of
study, which applies mathematics in solving computer-related
problems, is one which can be fully utilized by [   ]   STAT
in her career with ODP.

    3.   Pending your approval, the MZ Career Board has
approved her request for full-time academic training at [   ]   STAT
STAT [   ] during the 1981-1982 academic year. She was
selected through a competitive process based on several
factors outlined in an ODP Instruction. The courses that
STAT [   ] intends to take during the upcoming academic year
are described in her attached application to the MZ Board.

    4.   The total cost for [   ] training would be   STAT
approximately $2,000.00. This amount has been provided for
such full-time academic training in the FY 1981 ODP Training
STAT Budget. [   ] would be carried in an on duty status
during the year.

STAT

5. Based on [   ] background, her demonstrated performance and ability, and her considerable potential, it is recommended that her request for one year of full-time academic training be approved.
